

Xanadu Ishka

Ishka is a very nice SW female with a soft handling fleece. She has been mated to our superior male, Shanbrooke Society Class Act. We are positive that this joining is sure to produce something special as she currently has a SW Male (Bumparoo) Class Act cria at foot. Bumparoo is an excellent example of the potential on offer with her remating to Class Act. Bumparoo is not for sale with Ishka. Ishka will be available for pick up in early Sept by her new owners once Bumparoo is weaned.
